## ABOUT ME

Hello and happy to be here! My design company was born out of one thing: my love of Parklands. As a National Park Service employee and an Alaskan-based artist, protecting, preserving, experiencing and celebrating Parklands is the inspiration behind my brand.

Featuring the latest trends and vintage concepts, my design collection is for my fellow Parkland lover who also finds themselves endlessly inspired by Alaska's spectacular park system!

I am thrilled to present my 2024 collection to Alaska Geographic, the official partner of Alaska's National Parks & Public Lands. I am honored to work with a company whose mission I proudly support. Thank you for considering my designs and cheers to a beautiful 2024 season!

Happy Trails 😊
